

Announcement 3.0, June 23, 2011

Lattice 2011

The XXIX International Symposium on Lattice Field Theory

Village at Squaw Valley, Lake Tahoe, California, USA

July 11 to July 16, 2011

<https://latt11.llnl.gov/>

Dear Colleagues,

The conference web page is now fully populated. It has the plenary, parallel and poster schedules. There is information for all presenters, the participants list and list of abstracts. Also pictures from our last visit at the end of May. Please visit

<https://latt11.llnl.gov/>

Weather:

The weather in July is expected to be pleasant. Please check the forecast at any weather site. The location is Olympic Valley, California 96146, USA. For example see:

<http://www.weather.com/weather/tenday/96146>

Registration

Registration will be open from 4:00 to 8:00 pm on Sunday July 10 with light buffet welcome reception in the same room from 6:00 to 8:00 pm. The location is the Palisades room next to the hotel reception area. See Program Outline for times and maps <https://latt11.llnl.gov/html/program.php>

Program Highlights

All plenary, parallel, and poster presenters please see instructions at

<https://latt11.llnl.gov/html/presenters.php>

The conference starts at 8:30 am Monday July 11 at the Squaw Valley conference center. The conference ends on Saturday July 16 at 12:30 in the afternoon.

All plenary sessions will be held at the Squaw Valley conference center. All parallel sessions will be held in the cluster of conference rooms near the hotel reception area. The poster session will be held at the Olympic house and will be open from Monday to Thursday evening.

Excursion

The excursion will be on Wednesday July 13. Please visit

<http://tsailab.chem.pacific.edu/lat11/excursion/> for details. You will be able to register for one of the organized excursions during the first two days of the

conference. Alternatively, one may opt for a separate, self-organized activity. There will be 3 organized options:

Hiking – There will be a free, guided hiking trip from Squaw Valley up Shirley Canyon.

Whitewater Rafting – A half-day guided whitewater rafting trip on the Truckee River, with Class III rapids.

Lake Tahoe Kayaking – A 2-3 hour guided kayaking tour along the north shore of Lake Tahoe.

Banquet

The Banquet will be held at the restaurant at High Camp from 8:00 to 10:00 pm on Thursday July 14. All registered participants and registered accompanying persons will receive a ticket for the gondola cable car ride to High Camp in their registration package. Please note that the gondola cable car carries a maximum of 90 people and therefore there will be several trips at 15 min intervals. Ample time is provided. A cash bar will be at High Camp prior to the banquet so head up early.

Hazards

The conference venue is a major tourist attraction and is safe. However, please be aware of the following:

The conference location is at an altitude of 6,200 feet (1,900 meters) above sea level. The banquet will be at 8,200 feet (2,500 meters). Please be aware of possible effects of altitude on you. For example see

<http://www.americanheart.org/presenter.jhtml?identifier=4618>

Also, please be aware of the dangers of the mountains and exercise caution if you plan to go into the mountains.

The conference is not responsible for your well-being.

Conference Office

The conference office will be open daily and will be located in the MountainStream A room.

Contact information

More information can be found on the conference web site <https://latt11.llnl.gov/>
The site will be updated regularly.

If you need to contact us please email our Conference Secretariat Catie Dibble at dibble8@llnl.gov

The phone number of the hotel in the US is 530-584-1000.

Important

This announcement is being sent to the LatticeNews mailing list and the Lattice 2010 mail list. Please pass it along to colleagues that may not be in these lists and might be interested in attending the conference. To register to the LatticeNews list, visit <http://denali.physics.indiana.edu/mailman/listinfo/latticenews>

We are looking forward to seeing you all in Lake Tahoe soon.

Best wishes,
the LOC
